The "Verified Carbon Standard" and "VCS" trademark and name as well as the VCS-labeling system for GHG reduction projects and credits are owned by the Verified Carbon Standard Association (the "VCSA"). These Terms of Use are in addition to the General Terms of Use applicable to your use of the Registry website located online at <http://vcsregistry.com> (the "Registry Site"). 1. **Acceptance of Terms.** Your use of the Registry and the Registry Site is subject to the following Terms of Use, which constitute a binding contract between you (also referred to herein as "Account Holder") as user of the Registry and Administrator as administrator and owner of the Registry (Account Holder and Administrator, are individually referred to herein as a "Party", and collectively referred to herein as the "Parties"). BY USING OR ACCESSING THE REGISTRY, YOU ACCEPT AND AGREE TO BE BOUND BY THESE TERMS OF USE AS MODIFIED FROM TIME-TO-TIME IN ACCORDANCE WITH THE TERMS HEREOF, AND YOU AGREE TO TAKE AFFIRMATIVE RESPONSIBILITY FOR THE COMPLIANCE OF YOUR USERS WITH THESE TERMS OF USE. You can review the current version of the Terms of Use at any time at the Registry Site. CONTINUED USE AND ACCESS OF THE REGISTRY BY YOU AND/OR YOUR USERS AFTER MODIFICATION OF THE TERMS OF USE SIGNIFIES YOUR AGREEMENT TO BE BOUND BY THE MODIFIED TERMS OF USE AND YOUR AGREEMENT TO TAKE AFFIRMATIVE RESPONSIBILITY FOR THE COMPLIANCE OF YOUR USERS WITH THESE MODIFIED TERMS OF USE.. In addition, when using the Registry, you shall be subject to any rules, guidelines and/or operating procedures applicable to such use which may be posted at the Registry Site from time-to-time, including but not limited to the General Terms of Use and the Registry's Operating Procedures, each as modified or restated from time-to-time (collectively, the "Operative Documents"). All such rules, guidelines and operating procedures are incorporated by reference into these Terms of Use. Your use of the Registry will also be subject to the rules, guidelines and/or operating procedures of the VCSA, as set forth online at <http://www.v-c-s.org/>, including but not limited to the VCS Standard Ver. 3, the Voluntary Carbon Standard 2007 and 2007.1 and the VCS Program Guide, each as modified or restated from time-to-time, but only to the extent that such rules, guidelines and operating procedures do not conflict with the Operative Documents or these Terms of Use. If you do not agree to these Terms of Use, you and your users may not access or otherwise use the Registry.

2. Capitalized Terms; Definitions.

Defined terms in these Terms of Use, which may be identified by the capitalization of the first letter of each principal word thereof, have the meanings assigned to them in Appendix A, which is hereby incorporated herein. Any capitalized terms contained herein that are not otherwise defined herein shall have the meanings as such terms are defined in the Operative Documents.

3. Description of Service.

(a) The Registry serves as an informative system for the issuance, transfer, suspension and retirement of, and custodial services for, VCUs within the Registry. One VCU shall be created for each tonne of CO₂e GHG reduction or removal issued by the VCS Program administered by the VCSA. The data comprising the Registry shall include emissions information validated, verified and provided to the Administrator by a Verifier.

(b) The Registry is an assembly of data on emission reduction projects and VCUs that is verified, validated and provided by third parties, and serves only for informational purposes. Any issues or disputes that may arise between the Account Holder, other Registry Participants and third parties from the use of the registry or the data (including without limitation in connection with the validity of project data, with the purchase and sale of VCUs or whether an ownership interest, Beneficial Ownership Rights, security interest or other proprietary interest is created in any VCU) shall be addressed between the Account Holder and such Registry Participant or third party. Neither the Registry nor Administrator will address any such issues and neither shall have any liability with respect to any such issues. Administrator reserves the right to dispose of any disputed VCUs by interpleader or other suitable action in the event of controversy and to deposit any VCUs or other items subject of the interpleader action with the relevant court or arbitral panel.

(c) Administrator reserves the further right, in its sole discretion, to modify, augment, segment, reformat, reconfigure or otherwise alter at any time the content or methods of transmission of the Registry, the Operative Documents or these Terms of Use and create new types or versions of the Registry, the Operative Documents or these Terms of Use. Administrator shall not be required to comply with any provisions of any Operative Document to the extent that Administrator determines in its reasonable discretion that such compliance would have a material adverse effect on the Registry; provided, that Administrator shall report to Account Holder any such non-compliance within thirty (30) days after such non-compliance first occurs. Administrator shall provide Account Holder with at least thirty (30) days' prior notice of material changes to the Registry or these Terms of Use, and such changes shall be effective upon the date set forth in the notice, which may be given by any means including, without limitation, posting on the Registry Site, or by electronic or conventional mail. All other changes shall be effective upon their being posted on the Registry Site. Any use of the Registry by Account Holder after a change has gone into effect shall be deemed to

constitute acceptance of such change.

4. Authorized User; Personal Data.

(a) The rights and obligations of these Terms of Use shall run to the named Parties and their successors in interest and authorized assigns. Account Holder shall ensure that any of its owners, trustees, members, officers, directors, employees, agents appointed as Account Holder's agent ("Agents") and/or any other agents to whom it has provided access to the Registry (collectively, the "Representatives" or "Users") agree to comply with the Operative Documents and these Terms of Use.

(b) Account Holder shall execute and return to Administrator a Declaration of Agency ("Declaration") for any Agent it desires to hire and/or contract with to access the Registry on its behalf. A form of Declaration will be available on the Registry Site. Account Holder understands and agrees that only one entity may be granted access to an Account, and that accordingly if Account Holder grants Account access to an Agent, Account Holder shall not have access to that Account unless and until Account Holder revokes the applicable Declaration of Agency.

(c) Account Holder acknowledges and agrees that the rights and licenses provided under these Terms of Use and the Operative Documents are solely for the benefit of Account Holder and are to be exercised only in connection with Account Holder's and its Representatives', if any, use of the Registry. Without limiting the generality of the foregoing, except as set forth in this Section 4 and in Section 20, or except with respect to Beneficial Ownership Rights that are permitted by these Terms of Use, Account Holder may not transfer or sublicense its rights, licenses or Account, or any portion thereof, to any third party.

(d) Having applied to participate in the VCS, Account Holder accepts that Administrator, its representatives, successors and assigns, will need to collect certain Personal Data in connection with its application or transaction with Administrator, including Account Holder's name, address, and contact information, pursuant to the requirements of the Safe Harbor Framework, as set forth in the Registry's Privacy Policy. Account Holder confirms that it has obtained the express consent from any relevant third parties whose personal data it is required to provide to Administrator. Account Holder hereby expressly and freely consents and authorizes Administrator to process, use or export such personal data in order to achieve the purposes of these Terms of Use, including to process Account Holder's application for services relating to the VCS and participation in the VCS Project Database; to complete all verification processes whether the verification is made by the Registry or by third party service providers on their behalf; to share, in accordance with the confidentiality provisions of these Terms of Use and the Safe Harbor Framework, Account Holder's personal data with the VCSA, the operator of the VCS project database, the VCS registries, as well as any third party service

providers, associated companies and agents, as needed and appropriate; and to comply with all of Administrator's legal and regulatory obligations relating to the VCS, the VCS project database and its operator or the VCSregistries and their compliance obligations in any jurisdiction.

If Account Holder fails to pay any Fees, Taxes or other amounts or charges which Account Holder is obligated to pay under the Operative Documents or these Terms of Use by the Due Date, then Account Holder shall be responsible to pay interest thereon accruing at a rate of 1% per month, or the highest rate permitted by Applicable Law, whichever is lower, together with any additional costs or expenses incurred by Administrator in connection with the collection of such overdue amounts. Acceptance of any interest, cost or expenses shall not constitute a waiver by Administrator of Account Holder’s default with respect to such late payment, nor prevent Administrator from exercising any other rights or remedies available to Administrator under the Operative Documents, these Terms of Use or any Applicable Law.

11. Default; Remedies.

(a) Default. The occurrence of any of the following shall be considered a “Default”:

(i) Account Holder fails to pay any of the Fees, Taxes or other

charges due in accordance with the procedures set forth in Sections 6 and 9 above within five (5) days of their Due Date.

(ii) Account Holder or its Representatives alter, tamper with, damage or destroy (1) the Registry or any portion thereof, or (2) the data of other Registry Participants.

(viii) Account Holder receives written notice of a violation of the performance of any particular material term or condition of the Operative Documents or these Terms of Use three (3) or more times during any twelve (12) month period, regardless of whether such violations are ultimately cured, which conduct shall represent a separate Default.

(ix) Account Holder fails to perform any other duty or obligation under these Terms of Use or the Operative Documents, which default is not cured to the satisfaction of Administrator in its sole discretion within five (5) days after notice is given to Account Holder specifying such default.

(b) Remedies. (i) Account Holder acknowledges that money damages would not adequately compensate Administrator in the event of a breach by Account Holder of its obligations hereunder and that injunctive relief may be essential for Administrator to adequately protect itself hereunder. Accordingly, Account Holder agrees that, in addition to any other remedies available to Administrator at law or in equity, including but not limited to any monetary damages, Administrator shall be entitled to seek injunctive relief in the event Account Holder is in breach of any covenant or agreement contained herein.

(ii) Upon termination of the use of the Registry, Account Holder shall be obligated to pay to Administrator all monies due to it, which in the case of a termination as a result of a Default shall include attorneys' fees incurred to enforce Administrator's rights under the Operative Documents and these Terms of Use, and which in any event shall include any interest and costs and expenses due hereunder.

(c) Nonwaiver of Defaults. The failure or delay of Administrator in exercising any of its rights or remedies or other provisions of the Operative Documents or these Terms of Use shall not constitute a waiver thereof or affect Administrator's right thereafter to exercise or enforce such right or remedy or other provision. No waiver of any Default shall be deemed to be a waiver of any other Default. Administrator's receipt of less than the full amount of Fees, Taxes, Reinstatement Fees or other amounts due shall not be construed to be other than a payment on account then due, nor shall any statement on Account Holder's check or any letter accompanying Account Holder's check be deemed an accord and satisfaction.

12. Term and Termination.

(a) Term. These Terms of Use become operative on the date on which Account Holder indicates on the Registry Site that Account Holder agrees with and accepts the Terms of Use and shall continue in effect until Administrator or Account Holder terminates access to the Registry pursuant to subsections (b), (c) or (d) below.

Account Holder's obligation to pay any and all Fees due under the Operative Documents and these Terms of Use at the time of termination of use shall survive such termination of use.

(d) Termination Required by Law. Administrator shall terminate access to, or Account Holder shall cease use of, the Registry if required to do so by any Applicable Law, or by any order or other decision of a court of law, arbitral panel or governmental agency. At least sixty (60) days notice of said termination of access or cessation of use of the Registry shall be given by the Party terminating the access to, or ceasing the use of, the Registry under this subsection, unless a shorter notice period is required by Applicable Law or the relevant order or decision.

(e) Effect of Termination. The terms of Sections 6 (Fees), 9 (Payments and Taxes), 12 (Term and Termination), 11 (Default; Remedies), 14 (Confidentiality), 16 (Limitation of Liability), 19 (Indemnification), 20 through 28 and any other provisions meant to survive termination or expiration of these Terms of Use, shall survive termination of the Terms of Use.

(f) Reinstatement.

(i) Upon the request of Account Holder, Administrator, in its sole discretion, may reinstate Account Holder's access to the Registry after termination for Account Holder's Default, upon Administrator's determination that Account Holder has resolved such Default and upon receipt of Account Holder's full payment of all Fees and Taxes due prior to the termination. Account Holder agrees to pay a reinstatement fee equal to the Fees which would have been due during the period in which Account Holder's Account(s) were terminated ("Reinstatement Fee"). The Reinstatement Fee shall be due prior to reinstatement of Account Holders' access to the Registry.

(ii) Administrator shall reinstate an Account Holder's access to the Registry after termination for Account Holder's Default if directed to do so as a result of the outcome of a dispute resolution proceeding under these Terms of Use. Whether payment of a Reinstatement Fee is required in such an instance shall be determined as part of such dispute resolution proceeding.

13. Intellectual Property. The VCS name and brand, the Registry, and any and all content of the Registry, are protected by copyright and/or other intellectual property laws and any unauthorized use of such intellectual property or information or the Registry may violate such laws related to their protection. Except as expressly provided herein and in the Operative Documents, none of Administrator or any of its affiliates grants any express or implied right or license of any kind to Account Holder under any patents, copyrights, trademarks, or trade secret information with respect to such intellectual property and/or information and/or the Registry. Except as expressly provided by copyright law, the Operative Documents or these Terms of Use, Account Holder may not copy, distribute, modify, publish, sell, transfer, license, transmit, display, participate in the transfer or sale of, or create derivative works of, any of such intellectual property or information or the Registry, either in whole or in part, other than:

Account Holder

agrees not to use or disclose the information contained in the Registry, including any other Registry Participant's Confidential Information, except as authorized by the Operative Documents and these Terms of Use. (b) As used in these Terms of Use, the following information is deemed "Confidential Information":

(d) Confidential Information may be aggregated with other information in the Registry and included in public reports as described more fully in the Operating Procedures, so long as it is sufficiently aggregated such that a third-party reviewer could not determine the portion of such aggregated information that is Confidential Information of a particular Account Holder.

(e) If Account Holder obtains access to data in the Registry that:

(i) is not data provided or owned by Account Holder;

(ii) is not part of a publicly available Registry report; and

(f) Except as specifically set forth in this Section 14, Administrator shall have no obligation to protect or maintain the confidentiality of any information provided by Account Holder to Administrator or to the Registry, and Account Holder expressly consents to the disclosure of any such information that is not Confidential Information hereunder.

15. Disclaimer of Warranty

(a) The data contained in the Registry has been gathered by Administrator from sources believed by it to be reliable, including but not limited to Verifiers, Project Proponents, and Account Holder and Account Holder's Representatives. However, Administrator does not warrant that the information in

ADMINISTRATOR DOES NOT WARRANT THAT THE SERVICES PROVIDED HEREUNDER SHALL BE UNINTERRUPTED, ERROR-FREE, OR COMPLETELY SECURE, OR THAT THE PROVISION OF SUCH SERVICES SHALL ALWAYS BE EXECUTED WITHOUT ERRORS OR OMISSIONS.

(c) Administrator shall not be responsible for the acts or omissions of any Account Holder or any other party who inputs data into the Registry or from whom data is obtained for inclusion on the Registry.

(d) Account Holder is solely responsible for the protection, security and management of usage and security of its computer network. Administrator shall not compensate Account Holder for damages incurred due to violations of the security of Account Holder's computer network, nor shall Account Holder make deductions or set offs of any kind for Fees resulting therefrom.

16. Limitation of Liability. ACCOUNT HOLDER ASSUMES FULL RESPONSIBILITY AND RISK OF LOSS RESULTING FROM ITS USE OF THE REGISTRY AND THE REGISTRY SITE. ADMINISTRATOR'S SOLE LIABILITY FOR THE REGISTRY, SERVICE DISRUPTION, PERFORMANCE OR NONPERFORMANCE BY ADMINISTRATOR OR IN ANY WAY RELATED TO THESE TERMS OF USE, REGARDLESS OF WHETHER THE CLAIM FOR DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, IS LIMITED, TO THE EXTENT PERMITTED BY LAW, TO AN AGGREGATE AMOUNT EQUAL TO THE GREATER OF (X) THE FEES PAID BY ACCOUNT HOLDER HEREUNDER DURING THE CALENDAR YEAR IMMEDIATELY PRECEDING THE DATE ANY SUCH CLAIM IS OR CLAIMS ARE MADE BY ACCOUNT HOLDER AND (Y) THE FEES PAID BY ACCOUNT HOLDER HEREUNDER DURING THE CALENDAR YEAR IN WHICH ANY SUCH CLAIM IS OR CLAIMS ARE MADE BY ACCOUNT HOLDER. ADMINISTRATOR SHALL NOT BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR OTHER INDIRECT

DAMAGES REGARDLESS OF CAUSE, NOR FOR ECONOMIC LOSS, LOSS OF USE, LOSS OF DATA, LOSS OF BUSINESS, PERSONAL INJURIES OR PROPERTY DAMAGES SUSTAINED BY ACCOUNT HOLDER OR ANY THIRD PARTIES, EVEN IF ADMINISTRATOR HAS BEEN ADVISED BY ACCOUNT HOLDER OR ANY THIRD PARTY OF THE POSSIBILITY OF SUCH DAMAGES. ADMINISTRATOR DISCLAIMS ANY LIABILITY FOR ERRORS, OMISSIONS OR OTHER INACCURACIES IN ANY PART OF THE REGISTRY, OR THE REPORTS, VCUS OR OTHER INFORMATION COMPILED OR PRODUCED BY AND FROM OR INPUT INTO THE REGISTRY. TO THE MAXIMUM EXTENT PERMITTED BY LAW, ACCOUNT HOLDER HEREBY RELEASES AND DISCHARGES ADMINISTRATOR, ANY SUBSIDIARIES OR OTHER CORPORATE AFFILIATES THEREOF, THEIR SUCCESSORS AND ASSIGNS, AGENTS, CONTRACTORS, SERVICE PROVIDERS AND VENDORS FROM ANY AND ALL LIABILITY WITH RESPECT TO ANY DAMAGES OR INJURIES INCURRED BY ACCOUNT HOLDER AS RELATES TO THE REGISTRY.

17. Logins, Passwords and Registry IDs. Account Holder agrees to assume sole responsibility for the security of any logins, passwords and Registry IDs issued by Administrator to Account Holder and its Users for accessing the Registry. Account Holder agrees to immediately notify Administrator of any suspected unauthorized use of Account Holder's login(s), password(s), Registry ID(s) or Account or any other suspected breach of security.

18. Maintenance. Account Holder understands that any project not registered within the Registry within a year from the time such project is listed therein shall be deactivated in the Registry, unless a grace period of three (3) months is requested by Account Holder. Deactivation does not preclude Account Holder from registering the project with the Registry at a later date, but until such time as the project is registered, the project will no longer be viewable in the Registry.

19. Indemnification. Account Holder agrees to defend, indemnify and hold harmless each of Administrator and its subsidiaries and affiliates and each of their respective owners, directors, trustees, partners, Members, officers, employees, Representatives and Agents (each an "Indemnified Party") from and against any violations by Account Holder or its Users of any Applicable Law and against any and all claims (including third-party claims), causes of action, whether in contract, tort or any other legal theory (including strict liability), demands, damages, costs, liabilities, losses and expenses (including reasonable attorneys' fees and court costs) of any nature whatsoever ("Losses") arising out of, resulting from, attributable to or related to the use of the Registry by Account Holder or its Users, or Account Holder's or its Users' violation of any of the Operative Documents or these Terms of Use, including, but not limited to, any Losses arising out of or related to: (a) any inaccuracy, error, or delay in or omission of (i) any data, information, or service, or (ii) the transmission or delivery of any data, information, or service; (b) any interruption of any such data, information, or service (whether or not caused by such

Indemnified Party); or (c) any financial, business, commercial or other judgment, decision, act or omission based upon or related to the information or the Registry. Notwithstanding the foregoing, Account Holder shall not defend, indemnify or hold harmless an Indemnified Party from and against any Losses to the extent that the Losses are caused by the conduct of such Indemnified Party that a court of law or arbitral panel has determined amounted to gross negligence or willful misconduct.

20. No Assignment, Transfer or Encumbrance by Account Holder. Neither any Operative Document nor these Terms of Use nor any rights hereunder or thereunder may be assigned, sublicensed, encumbered, pledged, mortgaged or otherwise transferred by Account Holder, in whole or in part, whether voluntary or by operation of law, without the express prior written consent of Administrator, which consent shall not be unreasonably withheld, conditioned or delayed.

21. Relationship of Parties. Each Party is an independent contractor under these Terms of Use. No Party has the authority to execute documents that purport to bind the others, and nothing in these Terms of Use will be construed to constitute a joint venture, fiduciary relationship, partnership or other joint undertaking.

22. No Third Party Beneficiaries. These Terms of Use and the Operative Documents are for the sole and exclusive benefit of Account Holder and Administrator and each of their successors and permitted assigns, and except as set forth in Section 19, no third party, including without limitation any third party having Beneficial Ownership Rights in a VCU, will have any rights under these Terms of Use or the other Operative Documents whatsoever.

23. Force Majeure. No Party shall be deemed to have breached any provision of these Terms of Use as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances, wars, terrorism, energy crises, fires, floods, strikes or other labor disturbances, riots, embargoes, transportation contingencies, fuel shortages, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are beyond the claiming Party's reasonable control and which, by the exercise of due diligence, the claiming Party is unable to overcome or avoid or cause to be avoided; provided, however, that no such occurrences shall excuse Account Holder's obligation to pay amounts due hereunder by the applicable Due Date.

24. Severability. If any part of these Terms of Use is held to be unenforceable or illegal by a court, arbitral panel or governmental administrative agency, such holding shall not affect the validity of the other parts of the Terms of Use, which shall at all times remain in full force and effect.

25. Waiver. The waiver of a breach or the failure to require at any time performance of any provision of these Terms of Use will not operate or be

interpreted as a waiver of any other or subsequent breach nor in any way affect the ability of any Party to enforce each and every such provision thereafter. The express waiver by any Party of any provision, condition or requirement of these Terms of Use shall not constitute a waiver of any future obligation to comply with such provision, condition or requirement.

26. Notices. All notices permitted or required under these Terms of Use shall be in writing and shall be delivered in person, by email, facsimile, or first class, registered or certified mail, postage prepaid, or by overnight courier service to the following addresses or such other address as either Party may specify in writing:

(b) The Parties shall first attempt in good faith to settle any controversy or claim arising out of or relating to these Terms of Use, or the breach thereof, or any other claim or controversy between the Parties arising out of the Registry (any such claim, a "Dispute"), by mediation administered by the American Arbitration Association ("AAA") under its Commercial Mediation Procedures then in effect. At least thirty (30) days prior to initiating such mediation, the Party seeking to mediate

(“Demanding Party”) shall give the other Party written notice describing the claim and the amount as to which it intends to initiate the action, as well as providing all supporting documentation available to the Demanding Party.

(c) Any Dispute that has not been resolved by mediation as provided herein within forty-five (45) days after initiation of the mediation procedure shall be finally resolved by arbitration administered by the AAA under its Commercial Arbitration Rules and Supplementary Procedures for Online Arbitration then in effect. The arbitrator(s) will have no authority to award punitive damages nor any other damages not measured by a prevailing Party’s actual damages, and may not, in any event, make any ruling, finding or award that does not conform to the terms and conditions of these Terms of Use. Neither any Party nor the arbitrator(s) may disclose the existence or results of any arbitration hereunder without the prior written consent of all Parties.

(d) Each Party shall be responsible for the payment of all of its costs associated with the resolution of said dispute whether in arbitration or before a court of law, including but not limited to any filing fees, arbitrator fees, its attorneys’ fees and other costs incurred in such proceeding, provided that if a dispute is initiated in bad faith, as determined by the arbitrator, the Party initiating the dispute shall be responsible for all of the other Party’s defense costs, and provided further that Administrator shall be entitled to payment of its costs and expenses, including without limitation attorneys’ fees to the extent set forth in Sections 11(b)(ii) and 19.

(e) The Parties agree that neither may bring a claim nor assert a cause of action against the other, in any forum or manner, more than one (1) year after the cause of action accrued, except where the Party could not have reasonably discovered the wrong giving rise to the claim within one (1) year.

28. Entire Agreement. The Operative Documents, including without limitation the General Terms of Use and these Terms of Use, including any and all exhibits attached thereto and hereto, represent the entire agreement of the Parties with respect to the subject matter thereof and hereof and supersede any conflicting terms in any other prior or contemporaneous oral or written agreements and any and all other communication.
